Required Tools:

Acrylic brush set , 3 pieces (2/6/12)
Pencil Faber Castell HB, 12 pieces
Multifunctional scissor (130 mm)
Ruler

Instructions:

1. Put the terracotta flower pot on the transparent paper and sketch in a border with approx. 5 cm space around the pot.

2. Cut out two circles per pot (drum area) and brush them both sided with serviette glue.

3. Lay one transparent paper on the opening of the pot and press the sides well against the pot. Use your hands.

4. Brush the paper with serviette glue again and attach the second layer transparent paper.

5. Let the drums dry for two days. Then you can colour and decorate them with feathers and bast.

Have fun your OPITEC Creative team!
