End caps, 2 parts	523225	1
Acrylic gloss varnish, 50ml	451306	1
<b>Recommended materials/tools</b>		
Bristle brush, size 8	458300	1

1  
Draw your favourite pattern on the wooden beads using permanent marker.

2  
Paint them with two layers of varnish, leave them to dry completely.

**Tip**  
It will be easier if you thread all the balls on the wooden skewer.

3  
Cut the Zpagetti cord to have required length.

4  
Now thread the wooden balls on the Zpagetti cord making the knot between the balls.

Shorten the ends and knot them.

Fill the endcaps with the textile glue.

Now put the ends of the cord inside the caps.  
Leave the bracelet to dry.

*OPITEC Creative team wishes you lots of fun!*
