Cotton yarn – cotton print aran, sand, 50g	591989	1
Brass tube, 245mm long	814618	3

Recommended materials/tools

Silhouette scissors – Creative set, 2 pcs	306519
---	--------

1 First of all, you must make the tassels. Wrap your hand around with the cotton wool yarn.

2 Tie the loops with a knot.

3 Take the loops out from your hand and tie them up again. It is very important that the tassel is tied twice and the rest of the cotton yarn is long enough to hang in a decorative way.

4 Cut the tassel at the bottom end and trim the cotton so it looks neat.

5 Make more tassels in the same way.

6 To make the triangle thread the yarn through the brass tubes and make the knot at one end.

Last step is to hang the tassels on the triangle using different lengths of cord.

Now your wall decoration with tassels is finished.

OPITEC Creative team wishes you lots of fun!
