----------------------------	--------	---

1 First of all, wind the creole earring around with red handcraft yarn.

2 Next thread the white yarn to start making your mini dreamcatcher.

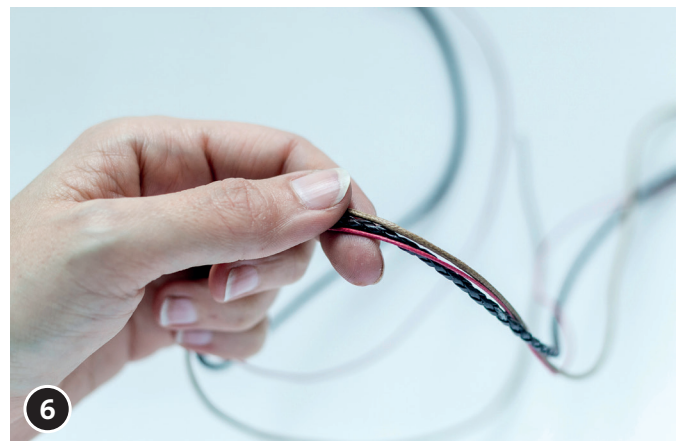

3 Shorten the leather cords to the required lengths.

4 Knot the cords on the dreamcatcher and decorate it with other elements using metal rings.

5 To make the belt use the leather ribbon. Measure your waist and shorten the ribbon to the required length.

6 Join the belt and the dreamcatcher together.

Now your belt with the dreamcatcher is finished!
