### Recommended Materials/Tools:

Jewellery Pliers - Set of 3	512509	1
-----------------------------	--------	---

### Tools Needed

surface, measuring cup, mixing vessel, beater, vegetable oil (or release agent Formestone), kitchen roll, bristle brush, round brush, side cutter, round nose pliers, scissors

Apply the silicone mould with release agent according to product description.  
 Mix fine concrete with water according to product description.  
 Fill the silicone mould with concrete and let it dry overnight. Then remove it from the mold.  
 Let residual moisture escape.  
 Dispense parts of the stickers-feathers off the release paper and press them on the concrete shapes.  
 To bring out the main points, colour parts of the feathers with Deco & Lifestyle Hobby Paint.  
 Let the paint dry.  
 Insert and close a big golden spacer ring in the hole off each concrete pendant.  
 Thread the desired Silky-Cord-Collier through one spacer ring.  
 For a further collier, thread the copper coloured chain through a spacer ring.  
 Shorten the chain if desired. Connect the beginning and the end of the chain with a copper spacer ring.  
 Hook one of the golden metal pendants (cloverleaf, bird, leaf) in two copper spacer rings.  
 Hook this metal pendant in the golden spacer ring, of the pendant with the copper coloured chain.

## Candle Holder Cement Style

### Materials Used

	Article Number	Quantity
Wood Candle Holder, approx. 80 x 80 x 220 mm	947986	1
Wood Candle Holder, approx. 80 x 80 x 270 mm	947975	1

Deco & Lifestyle Hobby Paint , antique gold, 230 ml	446712	1

### Tools Needed

surface, measuring cup, mixing vessel, beater, vegetable oil (or release agent Formestone), kitchen roll, round brush, bristle brush, scissors, hot glue gun

Apply the silicone mould with release agent according to product description.  
Mix fine concrete with water according to product description.  
Fill the silicone mould with concrete and let it dry overnight. Then remove it from the mold.  
Let residual moisture escape.  
Paint the candle holder with Concrete Effect (proceed as described in the product description).  
Colour it with different colours of Deco & Lifestyle Hobby Paint.  
Thread the concrete-jewellery-pendant Rings (made of silicone mold Cabochon) on bast and fasten them on the big candle holder.  
Glue the round concrete-jewellery-pendants with the hot glue gun to the small candle holder.
