Lovely Ones Made of Wood

Hearts

Material Used	Article Number	Quantity
Wood - Heart of Fibreboard, natural, approx. 160 x 135 x 3 mm, hole: approx. 4 mm	592055	2
Wooden Discs, not sorted, round, Size: approx. ø 10 - 30 x 5 mm, set of 100	700634	1
Wooden Discs - Fragments, not sorted, natural, approx. 100 g	947539	1
Birch Stems, straight cut, approx. ø 60 - 90 mm, approx. 150 mm high	726162	1
Birch Stems, straight cut, approx. ø 80 - 110 mm, approx. 200 mm high	726173	1
Jute Yarn, colour variations are possible, approx. ø 3,5 mm x 55 - 60 m, approx. 200 g, lightly blanched	507722	1
Deco Ribbon - Vichy, approx. 2 m x 8 mm, plaid, natural/ white	424565	1
Recommended Tools		
STEINEL® Glue Gun Gluematic 3002	319101	1
Glue Sticks, approx. ø 11 x 200 mm, 25 pieces	301139	1
Mosaic/Acrylic Glue, 80 ml, transparent	539697	alternatively
Tools Required		
support, base, scissors, knife, pruning shears, small branches, drill with wood drill (size in branch diameters), hot glue gun (with glue sticks), all purpose glue		

1. Stick the wooden heart with wooden discs or fragments of wood (craft glue or hot glue gun).
2. Allow to dry.
3. Using the drill to drill a hole in branch thickness into the upper side of the birch stems.
4. Fix the branch to the back of the decorated wooden heart.
5. Insert and glue branch into the hole of birch stem.
6. Tie a bow of vichy-tape below the heart.
7. Decorate branch with jute yarn.

Wall - Board

Material Used	Article Number	Quantity
Poplar Plywood, approx. 5 x 300 x 600 mm	719049	1
Wood Pieces, approx. ø 15 - 35 mm, approx. 30 mm long, not sorted, approx. 500 g	723382	7
Wood - Clothes Peg, approx. 70 x 17 mm, natural	614887	1
Wood - Clothes Peg, approx. 70 x 9 mm, natural	543827	alternatively
Jute Yarn, colour variations are possible, approx. ø 3,5 mm x 55 - 60 m, approx. 200 g, lightly blanched	507722	1
Recommended Tools		
STEINEL® Glue Gun Gluematic 3002	319101	1
Glue Sticks, approx. ø 11 x 200 mm, 25 pieces	301139	1
Mosaic/Acrylic Glue, 80 ml, transparent	539697	alternatively
Tools Required		
support, scissors, knife, drill with wood drill (approx. ø 3,5 mm), hot glue gun (with glue sticks), all purpose glue		

1. Drill two holes, at the edge below the upper edge of the plywood board (approx. ø 3,5 mm).
2. Pull a piece of jute through these holes so that the board can be hung up later.
3. If you want to hang a pen at the board, fix a piece of jute yarn in the desired length. Attach the pen later.
4. Glue the wood pieces to the plywood board by using craft glue or the hot glue gun.
5. After drying, attach the clothes pegs to the wood pieces.
6. Allow to dry.
7. Knot the pen to the provided jute yarn.
