**Decide which side of the button should be sewn onto the bag
and which of the accessories. The bags can always be redesigned.**

Instructions loop

1. Cut fabric to approx. 90 x 110 mm (depending on your desired size).

2. Fold the cut fabric in the middle (unprinted side visible) and sew all around in the open areas. Note:

Leave a small opening of approx. 20 mm.

3. Fold the fabric center zigzag and sew it.

4. Now select the best side and press the button on the other side.

Instruction - Cloud

1. Print out template and cut out.

2. Cut fabric to approx. 150 x 90 mm (depending on the desired size).

Fold the fabric in half and place the cloud onto the fabric and trace.

4. Cut out the cloud and sew the button on one side.

5. Sew cloud. Leave an approx. 60 mm long opening on the straight side to be inverted. Small strips

of other material can be worked in there as desired.

Tip: Cut the stripes to size, put togehher and sew them from the left and then turn them inside out.

Put the cloud on the right side so that the printed side is visible. Align the strips inside the cloud and

sew the opening with the strips fixed with pins.
