| Serviette brush, set of 3 (size 2/6/12) | 490342 | 1 |
| UHU all purpose glue, 35 g              | 300052 | 1 |

1 Prime the house.

2 Fabricate the heart template and transfer it with a pencil.

3 Knock in 4 nails.

4 Thread the light chain. Wrap the heart.

5 Glue the battery box on the house with the hot glue gun and coat the nails with hot glue.

6 Cut the transparent paper and affix it.
